

5" PSA PAPER DISCS

PRESSURE SENSITIVE ADHESIVE PAPER DISCS FOR RANDOM ORBIT SANDERS

The combination of rotational and orbital motions of your disc sander virtually eliminates burning, scratching, and swirl marks. We offer a wide variety of PSA discs suitable for sanding different materials.

ULTIMATE BLUE ZIRCONIA ALUMINA will outlast all other discs especially on hard materials such as hard wood, metal, fiberglass, gel coat, etc. Very sharp, fast cutting and durable.

PREMIUM RED RESIN ALUMINUM OXIDE on heavy weight paper backing is great on hard woods and metal. Heavy backing resists tearing.

MIRKA® GOLD A.O. RESIN on "C" or "D" weight paper. Best performance/value for auto body and wood working.

INDASA RHYNO WHITE A.O. RESIN, on "C" and "D" weight paper backing. Premium grain, non loading, suitable for today's new water-based finishes. Best performance/value for auto body and wood working.

SUPERGRIT DISCS CLOSE-OUT — We purchase close-outs from prime USA and foreign manufacturers. These high quality discs are resold to you at below market pricing. Buy Supergrit products and enjoy the savings.
