

# FOAM HAND PADS, EXTENSION & POLISHING PADS

## TEAR-DROP™ HAND SANDER

This semi-rigid polyurethane hand tool allows you to sand hard to reach areas and shapes. Tight corners, rounded edges, even dowel rods are no problem. Cut a 9" X 11" sheet in half to 5 1/2" X 9" and wrap it around the Tear-Drop™.

## FOAM HAND PADS

Try our ergonomically designed hand pads which accept 5" and 6" discs and have molded recesses for 3 fingers. We have 5" and 6" round soft foam hand pads with an elastic strap for sanding contoured shapes. We also have semi rigid yellow foam 5" and 6" hand pads with molded handles for flat surface sanding. Prices are for PSA. **Please add \$1.00 each for H & L surface.** Our yellow (medium grit) and black (fine grit) H&L hand sanding kits are essential in every wood shop.

## FOAM BUFFING PADS & SOFT EXTENSION PADS

You can polish your car or any smooth finished surface with these foam, Hook & Loop buffing pads. The 5" diameter 1" thick convoluted, gray, waffle foam slightly reduces heat and friction. The 8" diam. auto polishing H&L pads are color coded for crs, med or fine. Our soft foam extension pads in solid or with vacuum holes attach to your present pad and add about 3/4" of soft foam to better follow the contours of curved shapes (PSA or H&L versions). Our Black & Decker 8" Black foam bonnet ties over any smaller foam or wool pad and is great for applying wax or liquid polishes.
