

CLOTH & PAPER ROLLS

2 3/4" WIDE PSA AUTOBODY FILE BOARD ROLLS

Auto body shops cut these handy rolls to 16 1/2" lengths and attach them to PSA pads. They are more economical than sheets and are slowly replacing pre cut sheets. (Please see page 24.) We offer Premium MIRKA® and Sun Might Gold PSA Rolls. **Save \$1.00/roll when you buy any 3 rolls.**

A.O. CLOTH SHOP ROLLS FOR HAND & DRUM SANDING

Narrow 1", 1 1/2", and 2" flexible "J" weight cloth rolls are great for back and forth sanding of round objects like furniture legs. Use 4 1/2" wide rolls on your 1/4 or 1/2 sheet oscillating palm sander. "J" weight cloth with its phenolic resin bond aluminum oxide surface will greatly outlast paper and won't tear. Heavy duty "X" weight cloth rolls in 2", 3", 4", and 6" widths are well suited for drum sanders (although "J" wt works also). For planing rough lumber and fast stock removal, try our Zirconia rolls. **Wood turners love our 1" flexible full resin A.O. rolls in grits 280 and 400.**
